15/4/15 (Wednesday)

Book APA referencing format:
Surname, first initial. (year). Title. Location, Publisher.

Figures to research. (some more important than others)
- Louis Armstrong
- Duke Ellington (Edward Kennedy)
- Fletcher Henderson
- Paul Whiteman
- Don Redman
- Sidney Bechet
- Count Basie
- Fats Waller

@ the state library

Jazz sections:
- 784.165
- 781.65

Couldn't find biography on Fletcher Henderson. There are shorter ones in the "Yearbook of Jazz" (short sections on each influential swing musicians) and Richard Cook's "Jazz Encyclopedia." Similar lost range of pages.

Got a biography on both Louis Armstrong (Hughes Panassie), Duke Ellington by Stanley Dance and Count Basie again also by Stanley Dance.
